INTERN FOR A DAY  Spring 2018  HOST DESCRIPTION

Cystic Fibrosis Foundation, GA Chapter  Location: Atlanta

The Cystic Fibrosis Foundation is a nonprofit organization like no other. For decades, we have been taking major steps and pioneering new ways to find a cure for cystic fibrosis. And we have been successful. Along the way, we became one of the leading health care nonprofits in the United States, and the global leader in the search for a cure for cystic fibrosis. Nearly every CF drug and therapy available today was made possible because of CF Foundation support. We did this not only for the 30,000 people living in the United States with CF -- and the estimated 70,000 people worldwide -- but for the families who have worked tirelessly to find a cure for their loved ones living with CF.

The mission of the Cystic Fibrosis Foundation is to cure cystic fibrosis and to provide all people with the disease the opportunity to lead full, productive lives by funding research and drug development, promoting individualized treatment and ensuring access to high-quality, specialized care. The Georgia Chapter predominate hosts fundraising events for the CF Foundation that include: Great Strides (5k walks), CF Cycle for Life, Peachtree Society and Battle for a Cure (young professional events), ShamRockin’ for Cure, Wish for Wendy (softball tournament) and Wine and Roses (black tie gala). The intern would spend the day learning about cystic fibrosis, the mission of the Foundation, the aforementioned special events and working with volunteers/committee members. Depending on the timing, the intern could attend an after hours committee meeting or event along with the staff.

Non-profit management, Business, Liberal Arts, Communications (3rd and 4th year, grad students only)

Exovations  Location: Cumming

EXOVATIONS® is one of the largest, most reputable home exterior remodeling companies in the southeast. We are a Georgia state licensed residential general contractor and EPA approved for lead-paint projects. After 21 years and thousands of completed projects, our customers are still surprised to find a contractor who shows up on time, respects their property, and focuses on solutions rather than high-pressure sales. However, what they really value most is our ability to deliver on-time, on-budget renovation projects that increase their home’s curb appeal without all the stress that is commonly experienced in remodeling. Delivering exceptional craftsmanship with unexpected ease is what we do. Our customers say EXOVATIONS is the way remodeling should be done. This will be a day of learning so that the student may become more aware of the specific careers that interest them.

Marketing, Advertising or Digital Communications (web, SEM, SEO, etc.) (3rd and 4th year only)

Fulton County Schools  Location: Atlanta

Our teachers come from the best colleges and universities in the nation, and like you, they want to be associated with a school system that has earned a reputation for excellence, innovation, and creating an environment that puts students and staff first.

We challenge our teachers and students through engaging dialogue about teaching and learning, data-based decision making and accountability, and shared governance. In return, our teachers are paid one of the most competitive salaries in the Metro Atlanta area. Additionally, we provide comprehensive benefits packages, wellness initiative, and structures for ongoing professional development and career progression. The opportunity to host interns is one we value and want to ensure it is a great use of student time. The day will include an overview of the programs and initiatives lead by Talent Management. The heart of the day will be spent in a, “Think Tank” session where the team will be presented with a problem and using the Design Thinking Protocol develop a prototype (possible solution) for the presenting problem. We want to engage our interns in real world learning, fun, and an opportunity to add value.
