INTERN FOR A DAY   Fall 2017   HOST DESCRIPTION

Aldi   Location: Atlanta and Athens
As the nation’s low-price grocery leader, our store model is built on creating efficiencies at every level – from store construction, to distribution, to the specific products we stock. Our success shows we are as much a philosophy as we are a grocery store. Every aspect of our operations has been rethought and reinvented to maximize the quality of our products and savings for our customers.
We began our U.S. operations in 1976 with our first store in southeastern Iowa. Since then, we’ve grown into a multi-billion-dollar retail business with more than 1,617 locations in 37 states. By focusing on the integrity of our business plan and the satisfaction of our customers, employees and partners, we’ve become the nation’s low-price grocery leader. Our internship is a snapshot of the District Manager position. It will provide you insight into our company culture, and show the commitment and hard work it takes to succeed as a District Manager at ALDI. You’ll see the inner workings of a successful and dynamic workplace and spend time with a District Manager, giving you real insight into their day-to-day responsibilities.
