	Latin American and Caribbean Studies	

NOTES:

- This list of Majors is for the UGA-Athens Campus.
- Double Majors & Dual Degrees--talk about these options with an Academic Advisor.

Along with the majors on this checklist, there are numerous **pre-professional** programs. These help you to declare your future **intentions**. Examples are: Pre-Business, Pre-Journalism, and Pre-Forest Resources, along with

Pre-Dentistry
Pre-Law

Pre-Optometry
Pre-Medicine

Pre-Pharmacy
Pre-Theology

Pre-Veterinary Medicine

NEXT STEPS: Research the majors that you have selected using these resources:

1. Know yourself first. Be sure to take our free online career assessments! See more on the Career Center website, under the resources tab.
2. Research classes required for each major using the **UGA Bulletin**- www.bulletin.uga.edu. Click on the “**Majors**” tab to review required courses for each major. You can compare various aspects of majors side-by-side on the Bulletin’s website by clicking on “**Compare Majors.**”
3. Check out “**What Can I Do with a Major In...?**” an online list of entry level career opportunities (taken from the UGA Career Outcomes Survey). <http://career.uga.edu/wcidwami>
4. Be sure to visit department websites of all the majors that interest you!
5. Make an appointment to talk with your Career Consultant. Call the Career Center to arrange - (706) 542-3375.
