

# UGA Majors Checklist

Last updated  
7/20/2011

The University of Georgia has over 140 majors! To review your interest in these majors, begin by completing the checklist as follows:

- Check **YES** if the major is one in which you are already definitely interested,
- Check **NO** if you have ruled the major out as a possibility,
- Check **MAYBE** if it is a major you don't want to rule out yet, but you need more information about it before you would be comfortable putting it in the YES or NO category.

MAJORS-----Interested? (v)	YES	NO	MAYBE	MAJORS-----Interested? (v)	YES	NO	MAYBE

**NOTES:**

- This list of Majors is for the UGA-Athens Campus.
- Double Majors & Dual Degrees--talk about these options with an Academic Advisor.

Along with the majors on this checklist, there are numerous **pre-professional** programs. These help you to declare your future **intentions**. Examples are: *Pre-Business, Pre-Journalism, and Pre-Forest Resources, along with*

*Pre-Dentistry*

*Pre-Optometry*

*Pre-Pharmacy*

*Pre-Veterinary Medicine*

*Pre-Law*

*Pre-Medicine*

*Pre-Theology*

**NEXT STEPS:**

**Research the majors.** As you learn more about those “maybe” majors, try to move them into the yes column (definite possibility) or no column (highly unlikely major choice).

- To research majors and careers, use the “**Majors and Careers**” link on the Career Center’s website at [www.career.uga.edu](http://www.career.uga.edu). You can access links to information for each UGA major.
- Also, research the courses required for each major you are considering by going to [www.bulletin.uga.edu](http://www.bulletin.uga.edu). Click on the “**Majors**” tab and to review required courses for each major. You can compare various aspects of majors side-by-side on the Bulletin’s website by clicking on “**Compare Majors.**”
- Be sure to visit departmental websites of the majors that interest you! (search at [www.uga.edu](http://www.uga.edu))
