DIVERSITY CAREER CENTER EVENTS

The Career Center hosts several diversity-related events throughout the year to connect students with employers who are seeking a diverse workforce. Here are a few of the annually scheduled events.

Diversity Breakfast – This event is held in conjunction with our Fall Career Fair at the Classic Center in downtown Athens. During this event, you will connect with diverse students prior to them attending the career fair.

Diversity Networking Dinner – Don't miss this unique opportunity to network and dine in an intimate setting with students! This event is one of our most popular events among students. It takes place at Maggiano's in Buckhead, Atlanta.

Multicultural Professional Development Conference—This signature event offers students from diverse backgrounds an opportunity to explore issues and challenges as it relates to their career development. Network with students while participating in career sessions and a networking fair! This event usually takes place the evening prior to the Spring Career Fair.

*If you are interested in sponsoring and/or participating in any of these events contact **Scott Williams, Executive Director, 706-542-3375** or **Marian Higgins, Associate Director of Diversity Programs, 706-542-8439**.*
