How to Pursue Additional Careers in Education:
Seeking jobs outside of teaching and/or education?
Additional career opportunities with an Education degree are out there! First, you need to consider a few things:

For additional information on these assessments, go to http://career.uga.edu/majors_careers/assessments.
In addition, the O-Net (http://www.onetonline.org/) can be used to informally assess interests and match interests with careers.

What are Your Skills and Abilities?:
In your previous or current jobs or experiences, you have utilized and/or mastered skills that you’ve enjoyed. Consider your involvement in a campus or community organization.
