UGA Risk Management & Insurance Program, 706-542-4290, www.terry.uga.edu/insurance

This information describes typical occupations and employment settings associated with this major. Understand some of these options may require additional training. Moreover, you are not limited to these options when choosing a possible career path.

Description of Risk Management & Insurance (RMI)

Risk management and insurance professionals focus on the function of executive leadership in handling risks facing the business enterprise. The risk management and insurance industry offers careers that aid individuals and businesses manage risk to protect themselves from catastrophic losses and to anticipate potential risk. These professionals help clients understand their insurance needs and options. The first thing that comes to mind for most people when they think of jobs in insurance is sales - but sales is just one aspect of the field. Other areas include underwriting, asset management, human resources, customer service, actuarial and legal services.
