In participating in this program, I understand and agree that I am under no obligation from the University to participate in the above-referenced intern for a day experience, and I acknowledge that my participation is voluntary. I acknowledge that my participation in Intern for a Day may result in risk of exposure to contagious diseases, such as COVID-19, property damage, bodily or personal injury, including death. I acknowledge and agree that I am voluntarily engaging in this intern for a day experience at my own risk and that I remain responsible for my well-being, including taking necessary steps to ensure my personal safety. I understand that all medical treatment or healthcare (emergency or otherwise) that I receive or require as a result of this internship experience will be my sole responsibility and expense.

I agree to abide by all applicable laws and government orders, including local ordinances, regarding COVID-19 while at this Intern for a Day placement. I understand that changing conditions may result in new laws, orders, ordinances, or site policies that may negatively impact my ability to complete this Intern for a Day experience.

This acknowledgement is given freely and voluntarily by me without coercion, duress, threat or promise of any kind. I certify that I understand and have read the above carefully before signing.
