The Arch Ready Career Impact Certificate is designed to develop a strong sense of professionalism in students.

How to obtain the certificate your first year at UGA:

- Attend 5 workshops in 1 semester
- Complete a survey at the end of each individual event
- At the end of the semester, complete the final Arch Ready survey

"The Arch Ready Certificate Program has helped me to be more aware of my influence as a leader, more appreciative of the various opportunities in my life, and more capable to help others. I appreciate all of the hard work that goes into this program, and I have loved getting to connect with mentors, companies, UGA staff, and other students. This was a wonderful experience for me, and I hope to utilize my skills to work my passions."
